

Affiliates & Sponsors

BEING a SPONSOR or AFFILIATE – WHAT’S in it for YOU?

- You will be featured in the Affiliate and Sponsor directory which is distributed to all 400 Western Magic Valley REALTORS® (WMVR) members who are encouraged to give YOUR business priority when selecting vendors for needed services.
- As a new sponsor member, information about you and your company is sent to all of the members, affiliates and sponsors in an email “blast” welcoming you to the WMVR family.
- At your request, information about any promotions you are running or any special events you are having will be advertised to the membership via email at no cost to you.
- You will have an opportunity to promote your company at various REALTOR® events including the monthly membership luncheon, education classes and weekly caravan.
- You will be invited to network at fun events throughout the year: monthly membership luncheon, RPAC Poker Tournament and other RPAC events, the annual REALTOR® golf tournament and the annual Christmas party.

Note: Affiliates members are typically lending institutions and title companies who have interest in real estate related legislation and would like access to state and national lobbyists. Sponsor members are business owners in related industries who want to market their goods and services to REALTORS® members.
